Attachments: Northrop Grumman Navy NC Stormwater Basin 495 Recon Alvey July 2017.pdf

Hello Lorenzo and Jason,

I finally had an opportunity to walk around NCDPW Basin 495 that I believe was discussed at the last RAB meeting. I did a brief recon and have attached a memo incorporating some of the pics I took. For reducing potential liability, I would support repairing the security fence, but did not observe anything of significant activity.

Rob
